

The Milab Drum Pack is a complete high-end solution for mic'ing drums. 1 BDM-01 for the kick drum, 7 VM-44 Classics, shock mounts, windscreens and mic holders are delivered in a rugged and sleek aluminium case. The Drum Pack is the ultimate choice for uncompromised sound quality, and is just as superb for studio recordings as for stage sound.

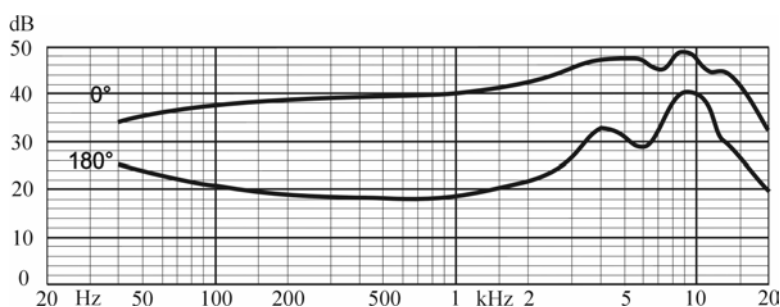

The VM-44 Classic is an extremely versatile microphone which means that this bundle will be perfect for many other situations than just mic'ing drums.

- **1 BDM-01** (Art. No. 1101)
- **7 VM-44 Classic** (Art. No. 1118)
- **8 rubber shock mounts**
